

June 2016 Newsletter

It has been a very busy month, with the tradition of the Head of the Martindale for single scullers, excitement of the high school rowing season and our Christening of shells on Sunday, June 5. The next meeting is Monday night, at the boathouse, and we are planning for the summer season ahead! Regattas start for us on July 2 in London, but we first have to get equipment organized, rowers coming with the summer coaches and plans made. The summer racing happens quickly, and we end with Henley August 2-7. Then it's time to watch our international competitors, like the U23 Men's Lt 2- (and coach Sean Leyland), and Eric Woelfl heading to the Olympics in Rio. We hope everyone has a great summer of rowing !! (Attached are the minutes of the May meeting.) Please get in touch with news, updates, or any other information.

NEXT CLUB MEETING is scheduled for Monday, June 13, at 7:00 pm at the boathouse on Henley Island. Planning of the summer rowing, equipment and other items is planned.

2016 CLUB FEES At the Annual General Meeting, fees for 2016 were kept the same, with the additional \$100 Service cheque required, made out to Ridley Graduate Boat Club. Dues must be paid before rowing, and paid NOW if you have a shell in the boathouse! A reminder that all competitors are expected to work 2 Service Opportunities, or have their \$100 cheque deposited into the club account.

SUMMER ROWING Nancy is posting a sign up list on the door for use of singles and doubles, with any conflicts to be worked out amongst the coaches and Nancy. Brian Elliott, Ally Whitty, Bruce Adams, Siobhan McLaughlin, Nancy Storrs and Don McSween are all scheduled to be coaching. It looks as though the U23 women are practicing at 6:00am, Junior B and Junior Men at 7:30, the Junior B and Junior A women are in the afternoon (maybe 5-7pm). Regattas start for us July 2 in London, with July 9 in Welland, before the SC Invitational (normally only Juniors) on July 16, Ontario Championships in Welland July 23-24 and finally Canadian Henley August 2-7.
